COORDINATOR GRADUATE PROGRAM IN ENGINEERING AND INNOVATION MANAGEMENT

UFSC 16/11/2015

UFABC- GRADUATE PROGRAM IN ENGINEERING AND INNOVATION MANAGEMENT

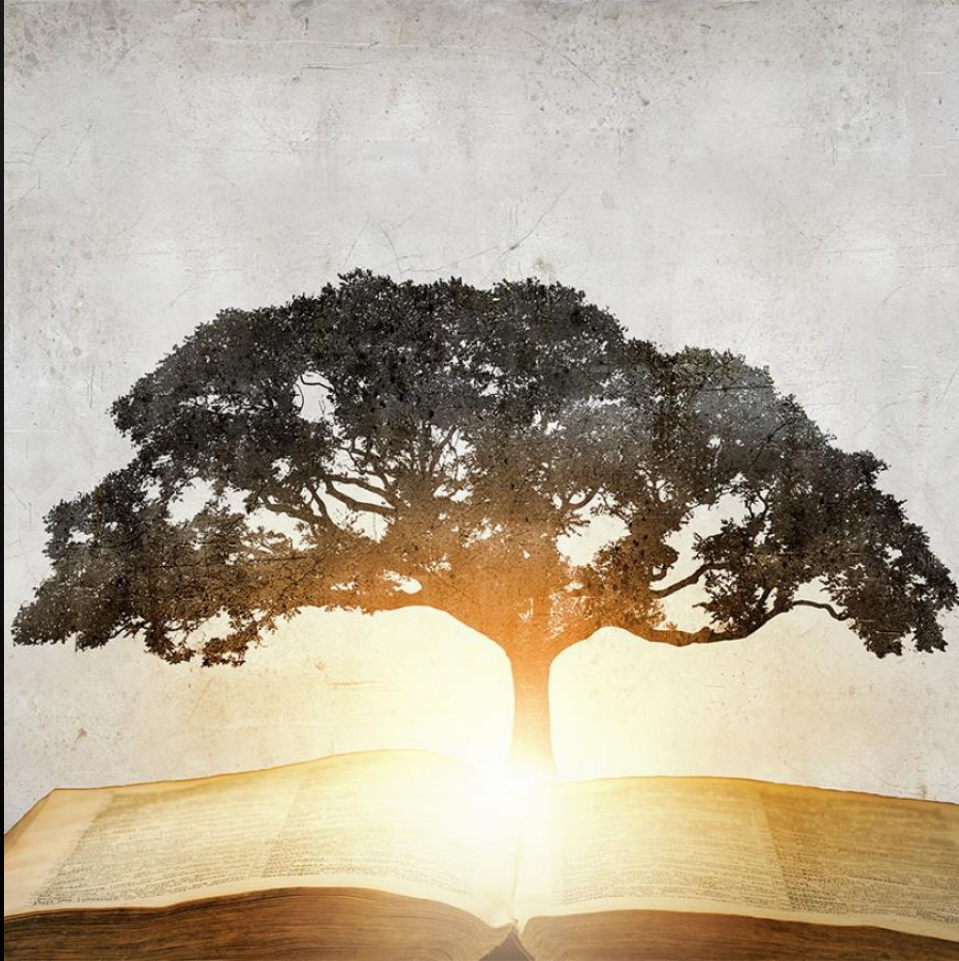

OUR CHALLENGES

Building knowledge and practices that allow us to propose the ways that lead to innovation

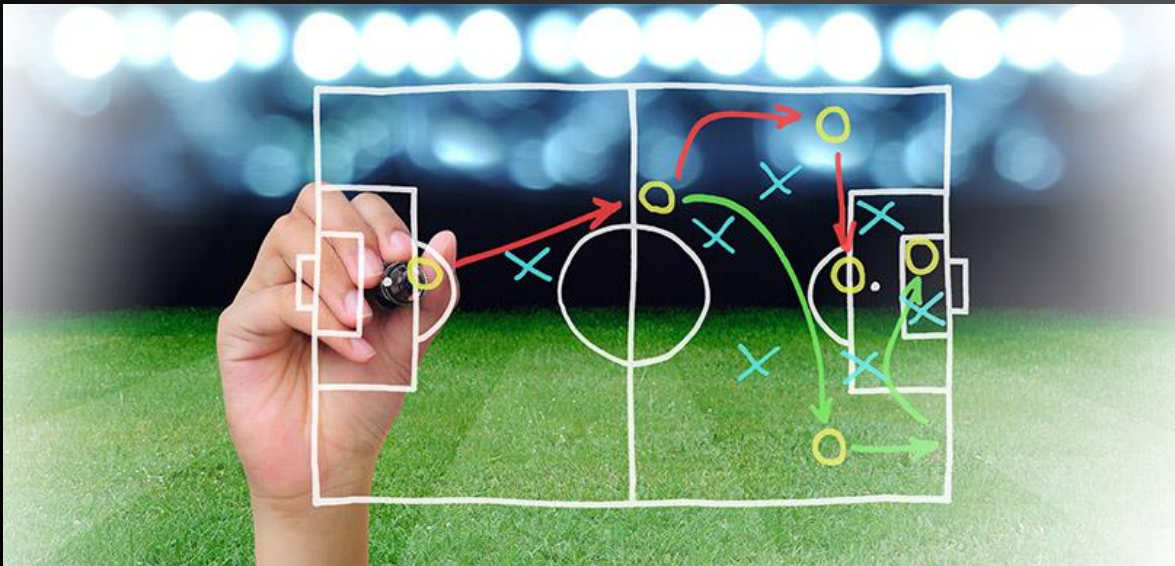

OUR PRINCIPLES

Integrating the complexity of technological systems to the heterogeneity of social systems to make flourish the culture of innovation

**Innovation is the result of an interdisciplinary
and harmoniously integrated teamwork with a common goal**

Innovation and Technology Management

Design of Technology and Engineering

TEAM APPROACH

Faculty Collaboration

Students Enthusiasm

JOIN OUR EFFORT !
