

ABIMAQ

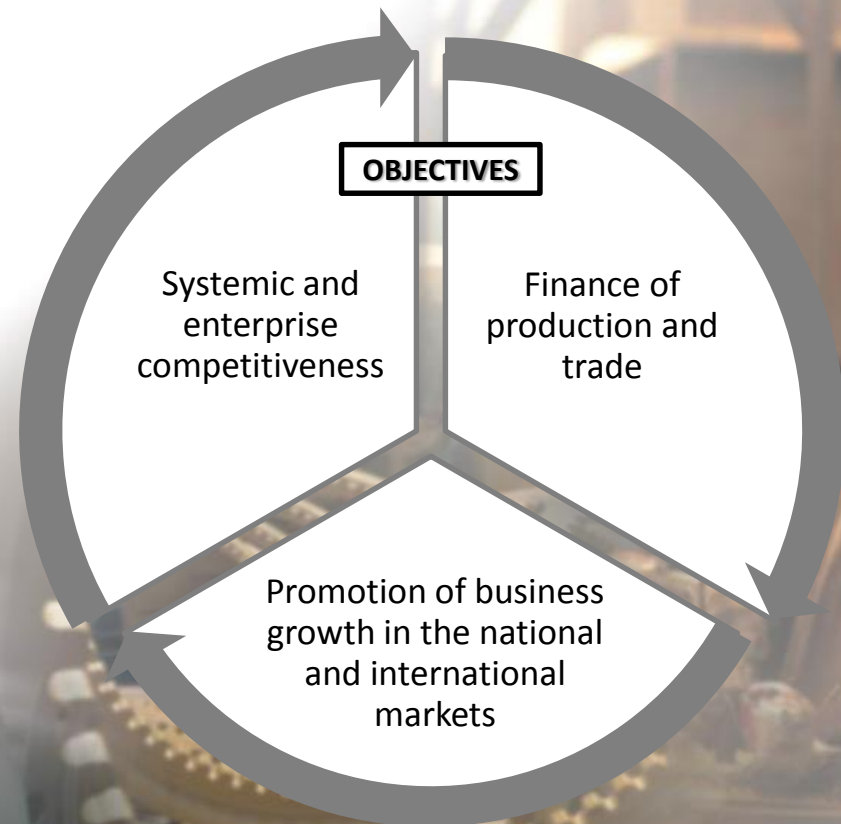

Brazilian Machinery Builders' Association

The Brazilian Machinery Builders' Association

Founded in 1937, ABIMAQ is one of the biggest industry entity in Latin America. The association advocates for the machinery and equipment industry aiming its strategic growth and development.

ABIMAQ

Sector numbers

More than
7.500
Members

310,000
Direct
Employment

Income of
US\$ 24.9
billion

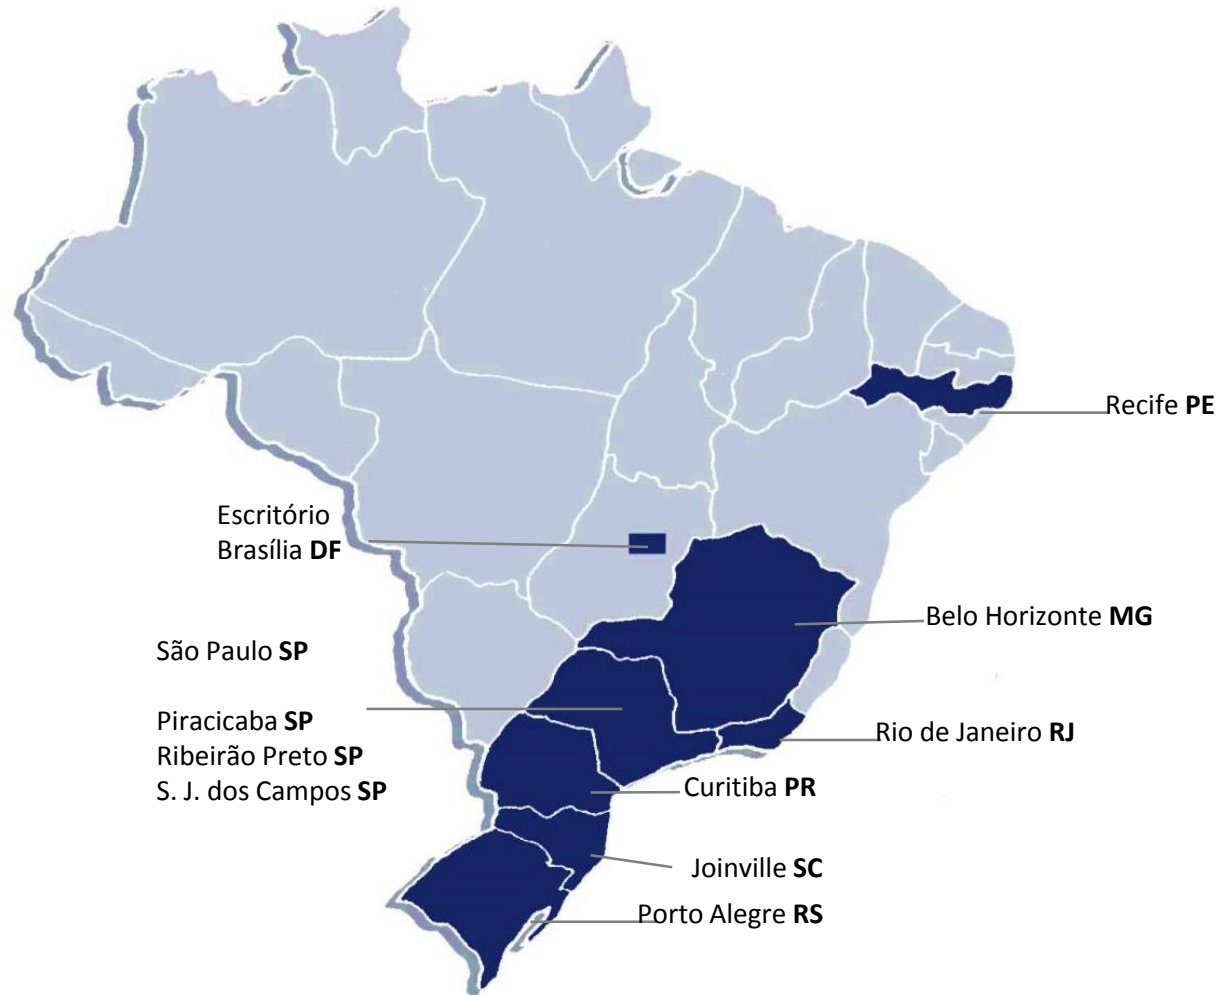

ABIMAQ

National Structure

Headquartered in São Paulo, ABIMAQ has branch offices in 9 cities and one office in Brasilia (Federal District).

ABIMAQ

The Sectorial Chambers

CSAG

Compressed Air and Gases

CSBM

Pumps and Motor Pumps

CSCM

Machines and Equipments for Cement and Mining

CSEI

Irrigation Equipment

CSEN

Marine and Offshore Equipment

CSFEI

Industrial Furnaces and Kilns

CSFM

Tool and Modeling Shops

CSGF

Power Equipment for Grass and Garden Management and Portable Machine for Forestry Management

CSGIN

Gymnastic Equipment

CSHPA

Hydraulic, Pneumatic and Industrial Automation Equipment

CSMAIP

Machines and Acessories for the Plastics Industry

CSMAM

Equipment for Moving and Storing Materials

CSMAT

Textile Machines and Acessories

CSMEG

Printing Machines and Equipment

CSMEAG

General Aplication of Machines and Equipments

CSMEM

Machines and Equipment for Wood

CSMF

Tool Machines and Integrated Manufacturing Systems

CSMIA

Agriculture Machines and Implements

CSMIAFRI

Food, Pharmaceutical and Industrial Refrigeration

CSMGG

Internal Combustion Motors and Generator Groups

CSMR

Highway Machines

CSPEP

Projects and Heavy Equipments

CSQI

Quality Control

CSTM

Mechanical Transmission

CSVED

Seals Manufacturers

CSVI

Industrial Valves

SINDESAM

Basic and Environmetal Sanitation

GT-AERO

Aerospace and Defense

GT-ARM

Grain Storage

GT-GUINDASTES

Cranes

GT-MAV

Advanced Manufacturing

GT-MEPS

Machinery and Equipment Fuel Service Stations and Supply Solutions

GT-MLIMP

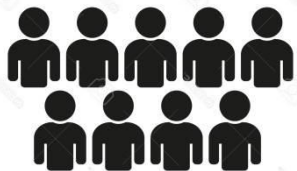

Clear Machines and Equipment

GT-RS

Machinery and Equipment for Solid Waste

KEY POINTS OF PROCESSED PLASTICS INDUSTRY - 2015

Employees:
326,234

Companies:
11,559

Revenue:
18 billion US\$

**Physical
Production:**
6,59 million tons

ABIMAQ TRADE FAIRS

International Plastic And Rubber Exhibition

PLASTIC SECTOR

DATE: 20 to 24 March/2017

LOCATION: São Paulo Expo
São Paulo

AGRICULTURE SECTOR

DATE: 01 to 05 May/2017

LOCATION: Ribeirão Preto - SP

Brazil International Machine Tool and Industrial Automation Exhibition

MACHINE TOOLS AND AUTOMATION SECTOR

DATE: 09 to 13 de May/2017

LOCATION: São Paulo Expo
São Paulo

Brazil International Machinery and Equipment Exhibition

MECHANICAL SECTOR

DATE: 08 to 12 May/2018

LOCATION: São Paulo Expo
São Paulo

Brazil Machinery Solutions – BMS

International promotion of Brazilian machinery and equipment are set in action by the **Brazil Machinery Solutions** Program, result of a partnership between **ABIMAQ** and **Apex-Brasil**. Our main goals are to boost exports of Brazilian capital goods and to strengthen position and perception of Brazilian technology.

38 Actions (2015-2017):

- 26 International Fairs
- 6 Buyers Project
- 3 Media Projects
- 3 Missions

Countries focuses:

Argentina*, Colombia*, Chile*, Peru*, Venezuela*, Mexico*, USA*, Angola*, South Africa*, Ghana*, Kenya*, Mozambique*, India*, Russia*, Central America * as region, Germany, Italy, Viet Nam, Ukraine, Kazakhstan, Romania, Indonesia, Malawi, Botswana, Zimbabwe and Zambia.

ABIMAQ is ready to help to get in contact with Brazilian technology and innovation.
